**Super Jack is the greatest donkey rescuer of all time!
He and his friends save donkeys all across the country
and even on islands in the middle of the ocean!**

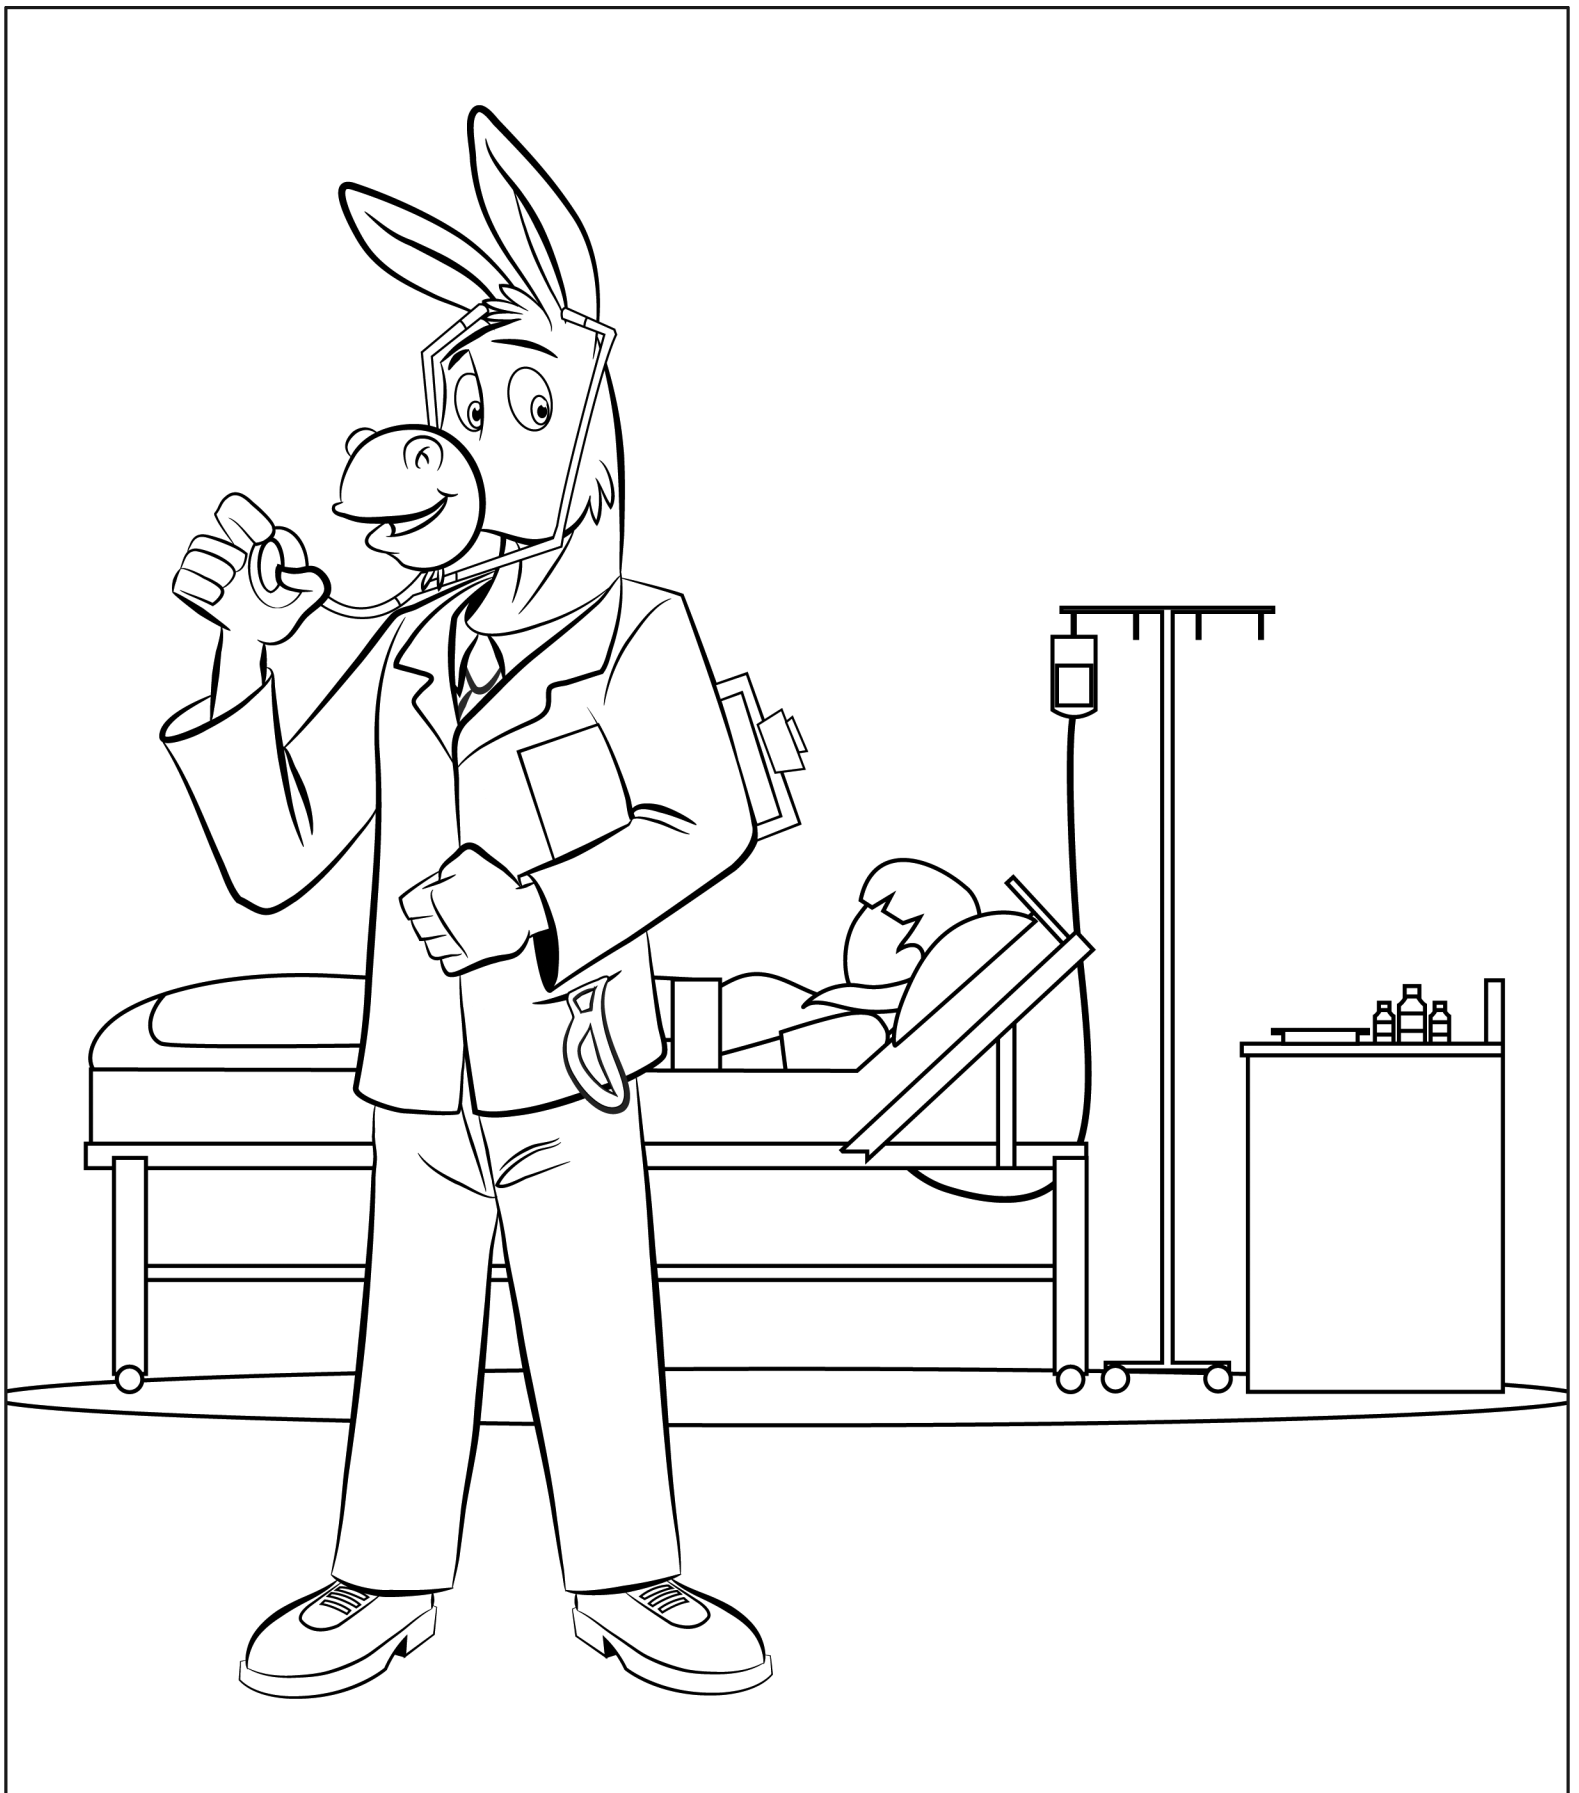

**When Super Jack needs help, he will call upon his buddy
THE BURROMAN and his trusty sidekicks THE BURROCOLLIES.**

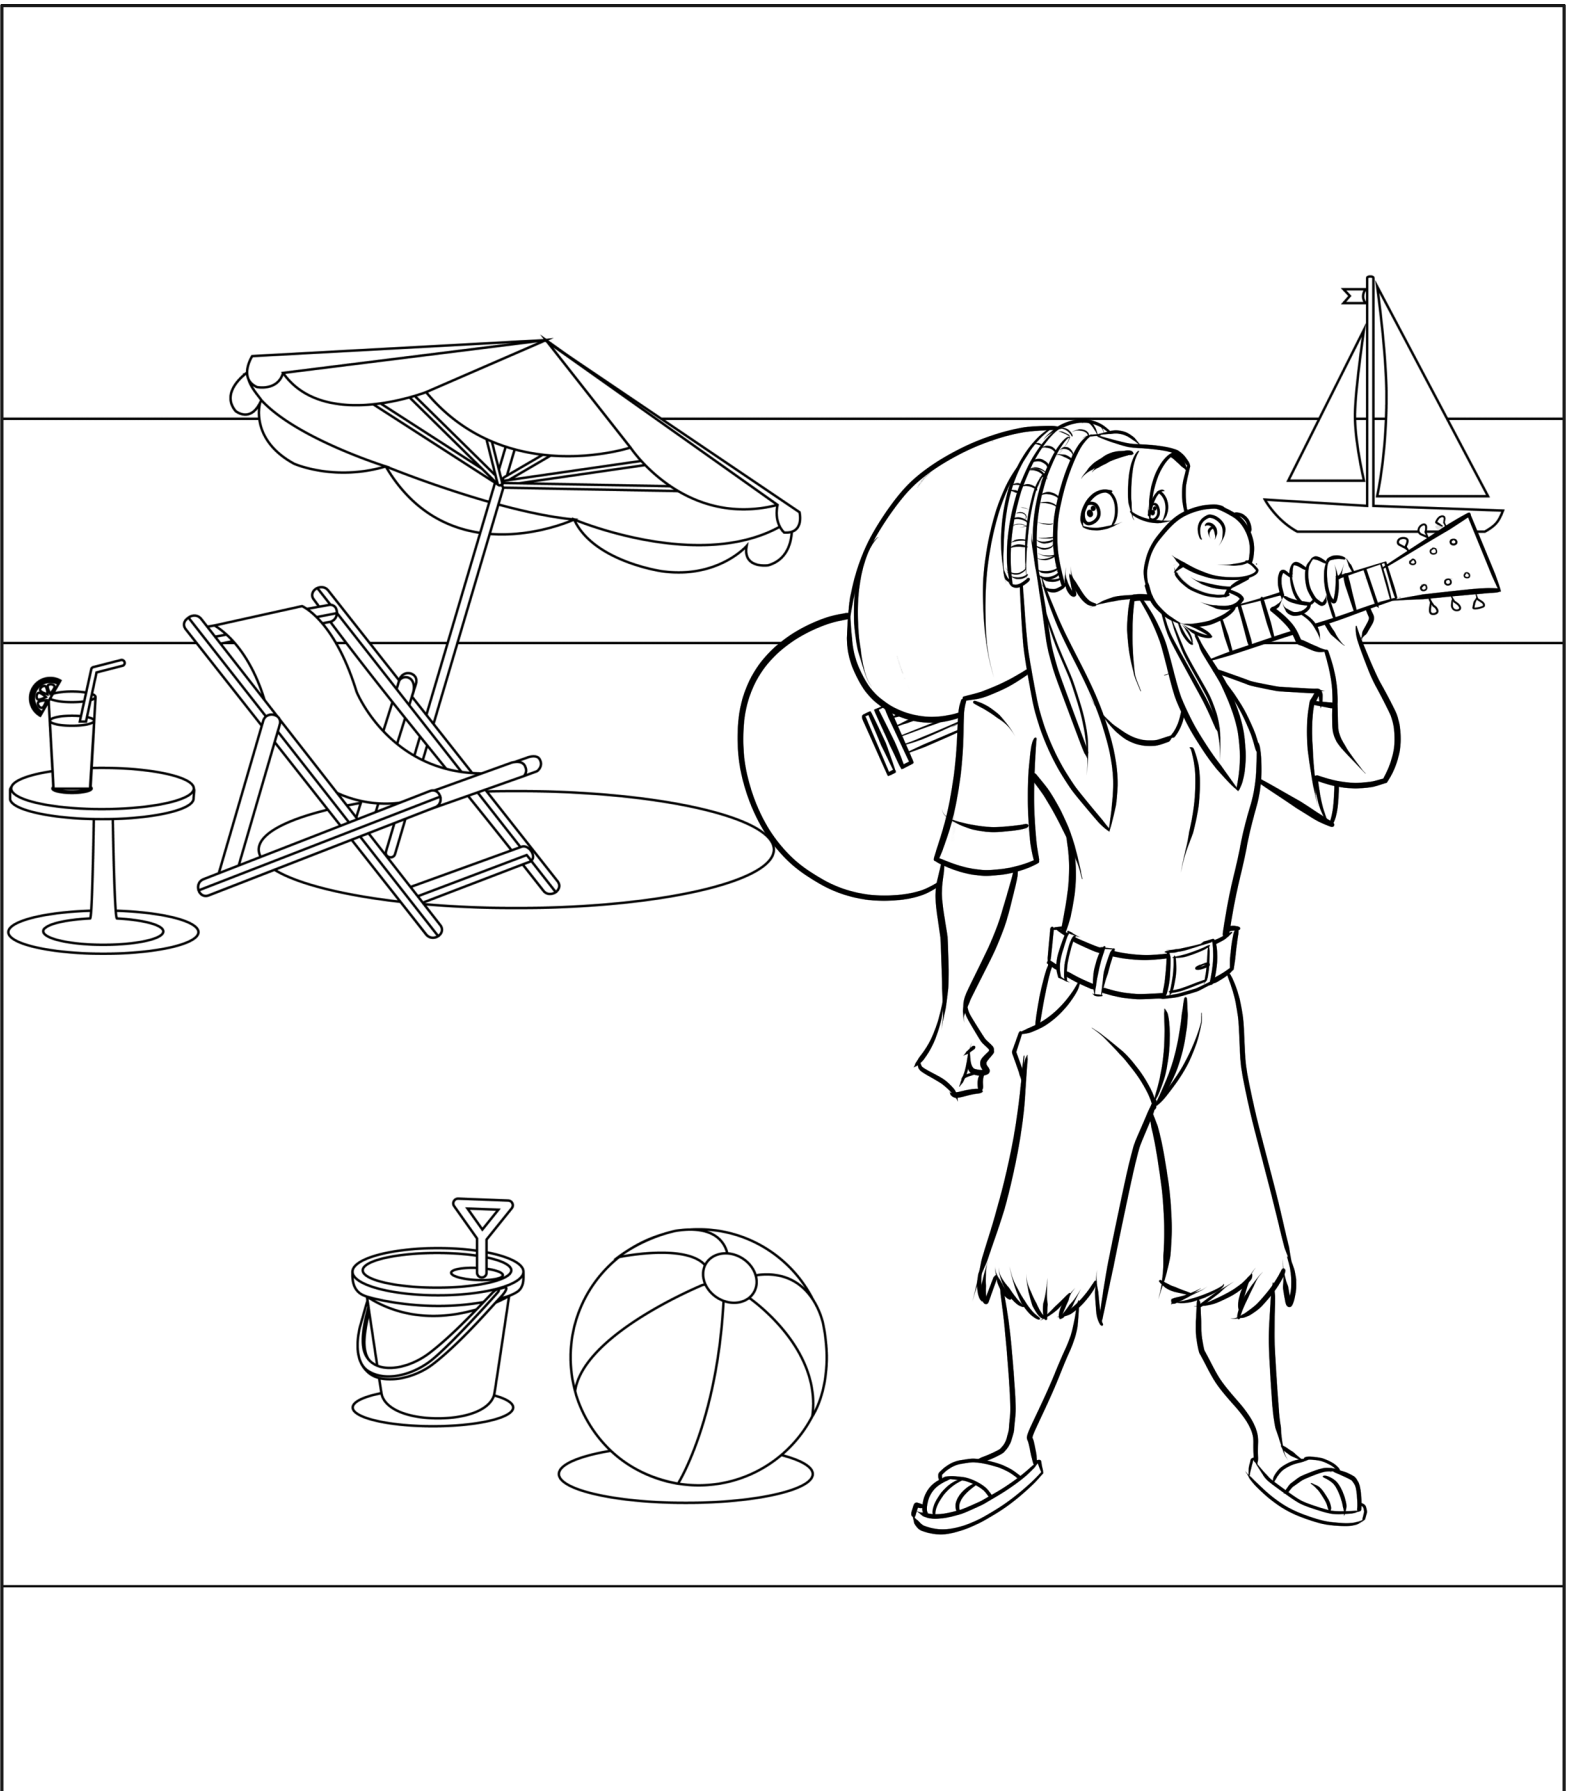

**Oh No! Texas Jack just found a whole bunch of donkeys
that somebody abandoned on a highway.
Better call Super Jack!**

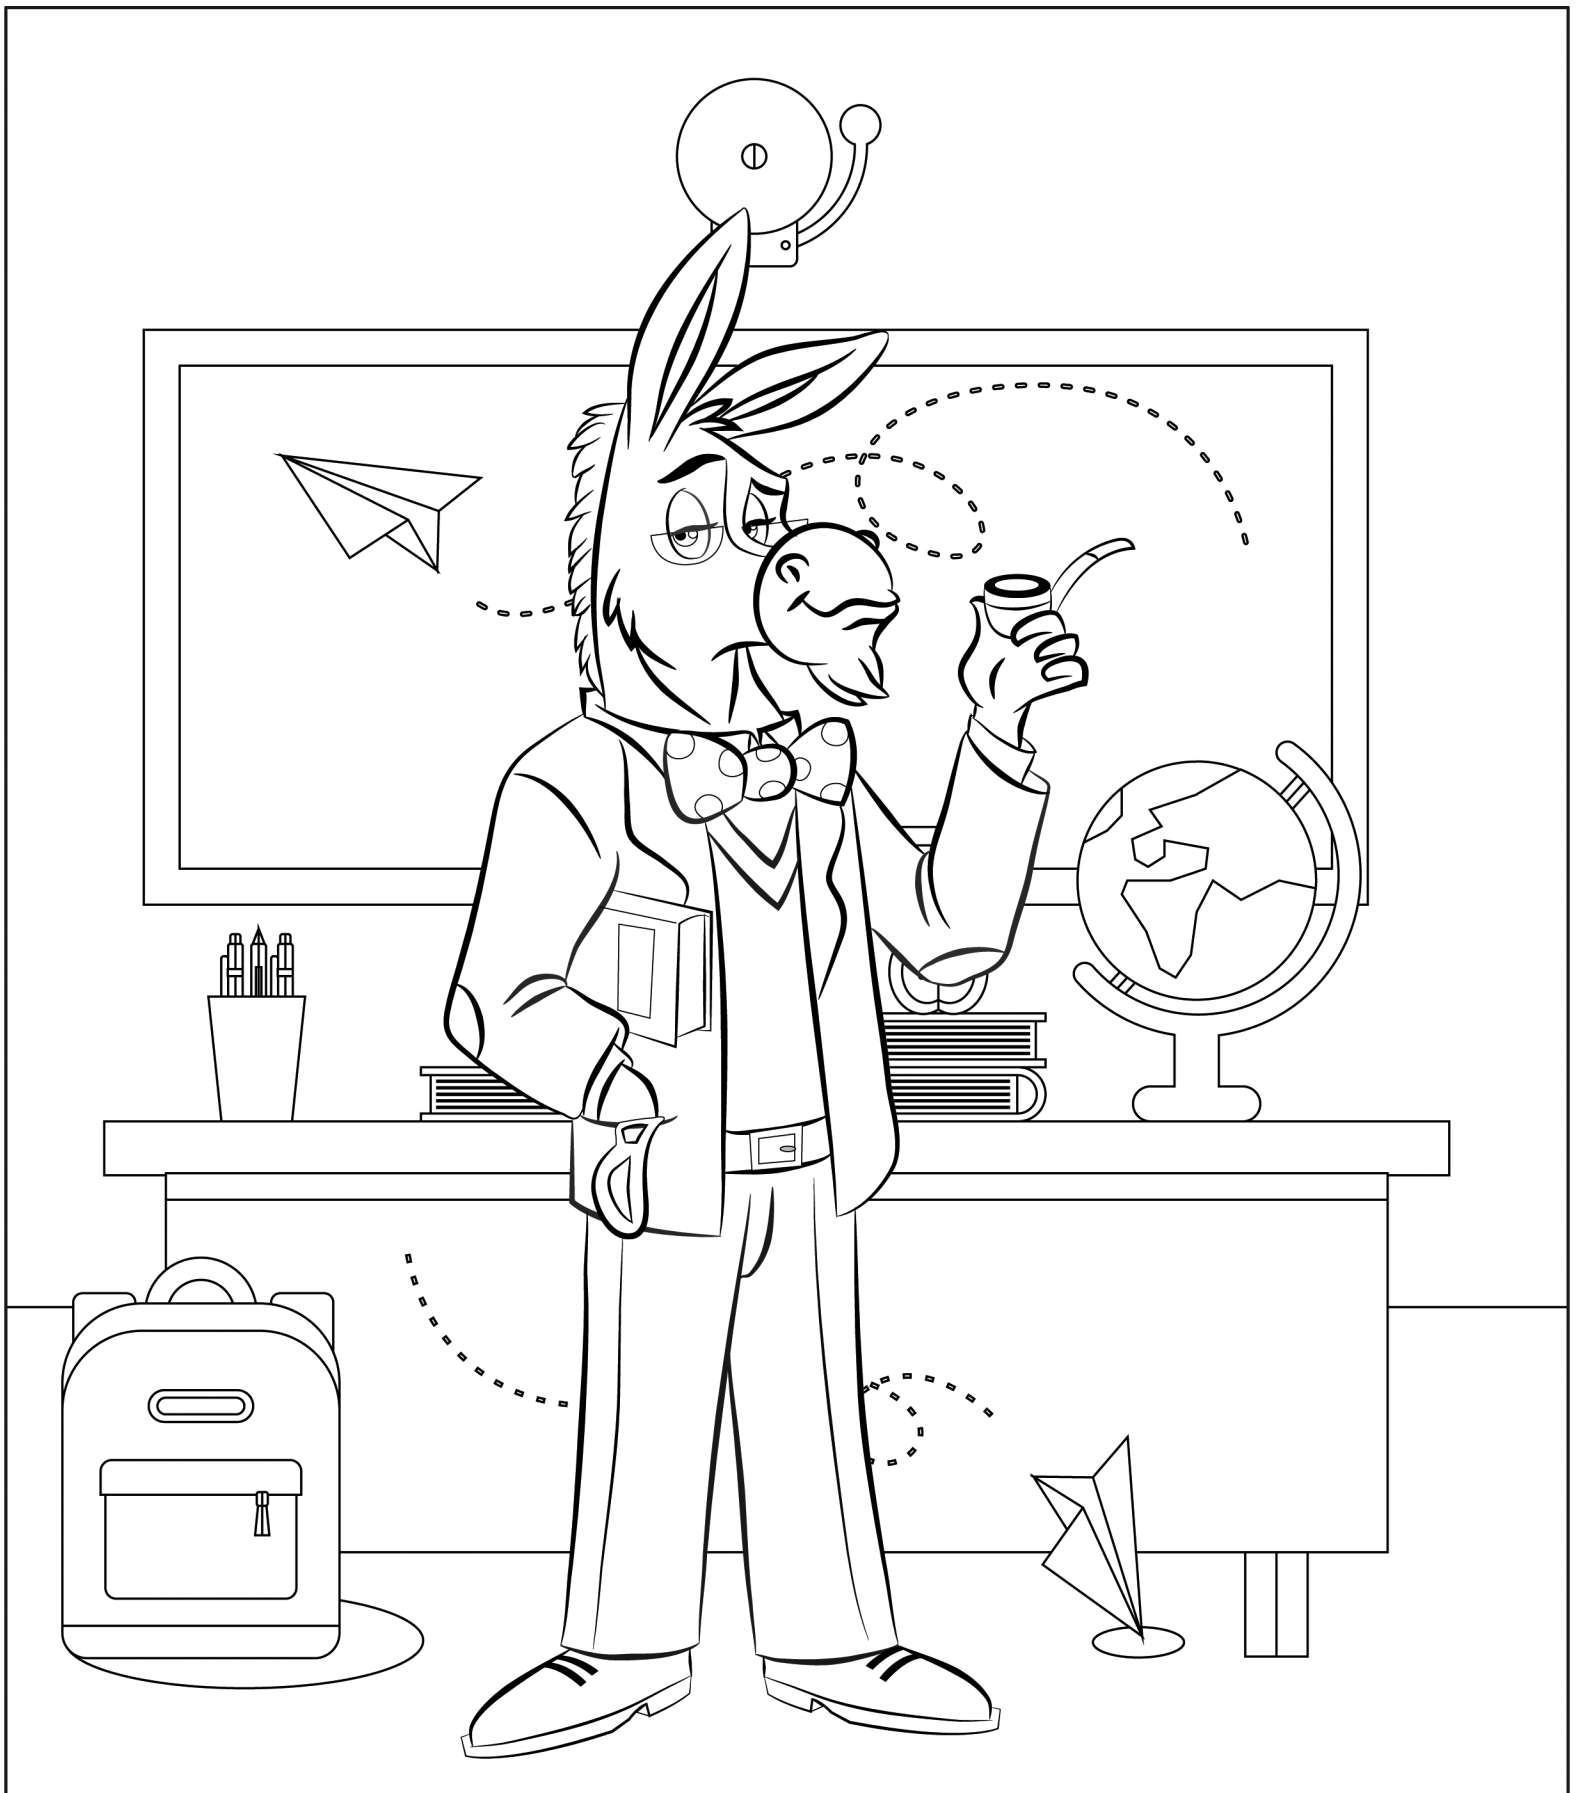

**There is no rain in Hawaii!
The wild donkeys do not have enough to eat.
Better call Super Jack!**

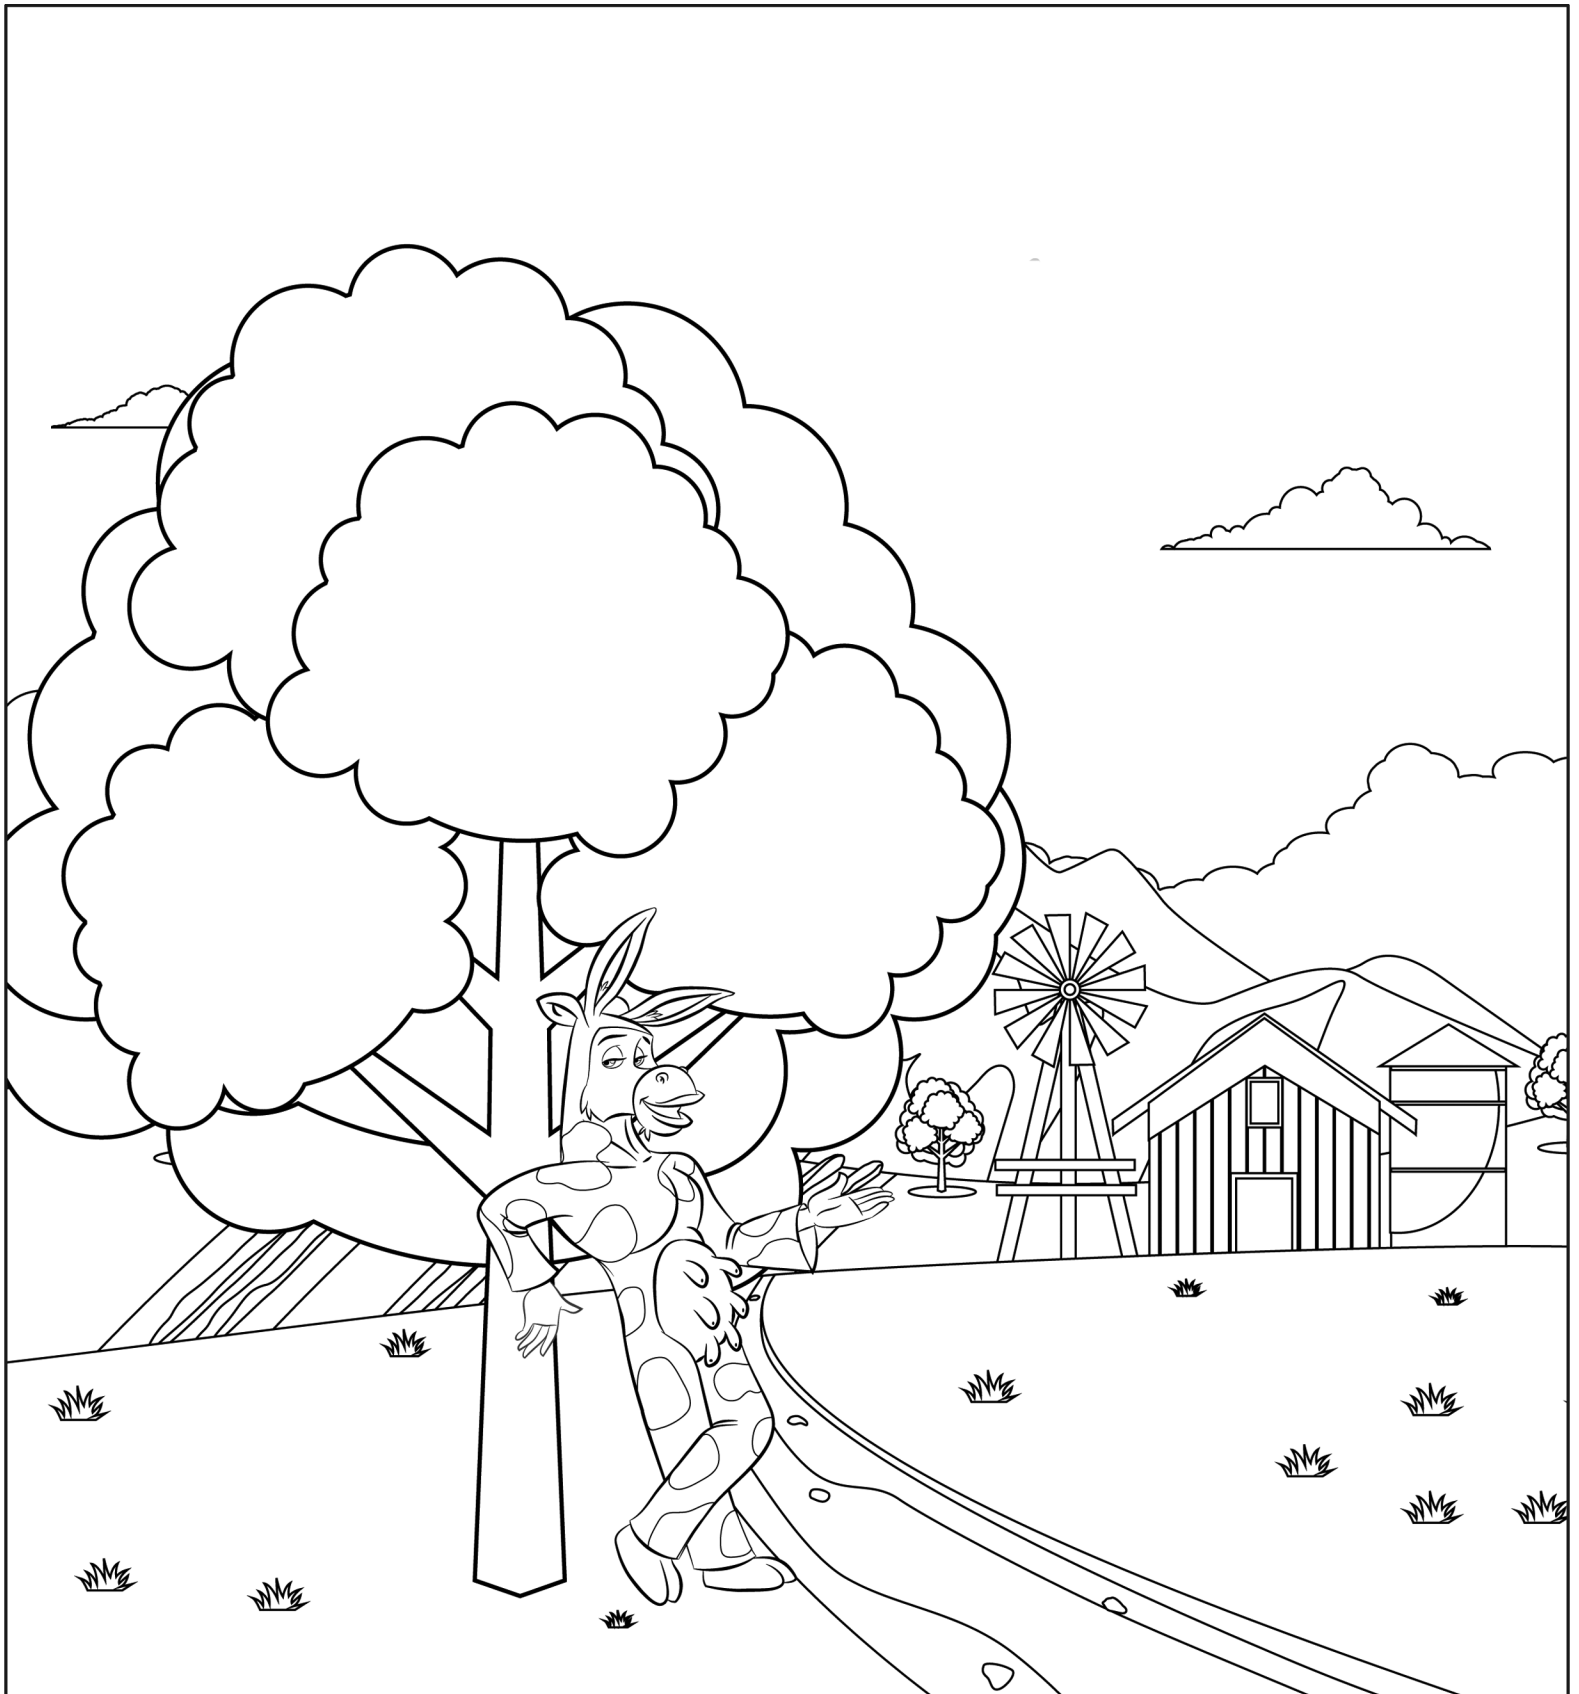

Oh No! Some of the donkeys that Super Jack has rescued need help. Some have injuries and others are too thin. We need Doctor Jack!

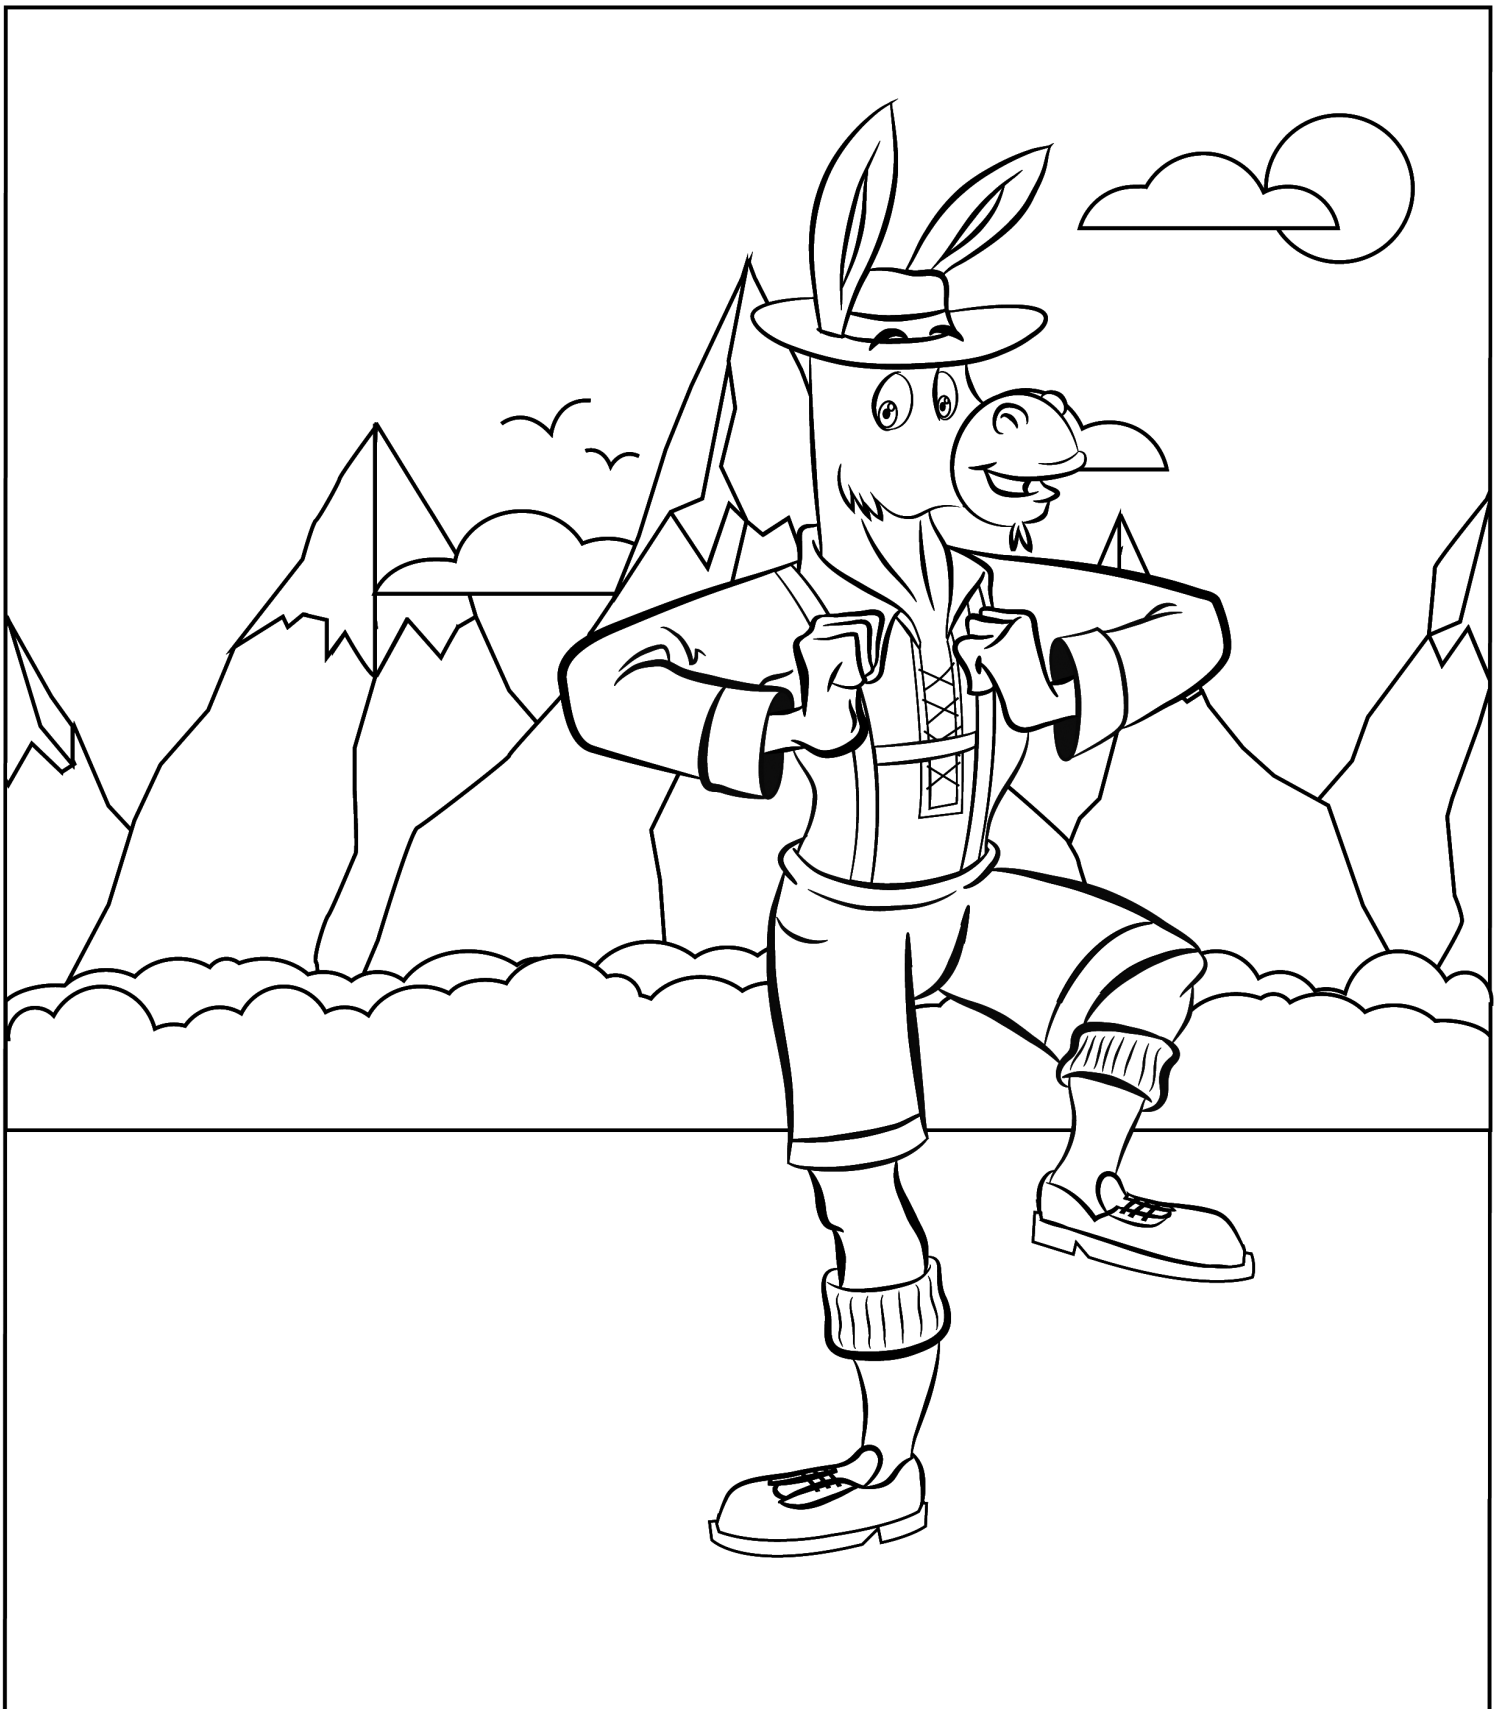

Rasta Jack has found donkeys on many islands in the Carribean Sea that need help. Better call Super Jack!

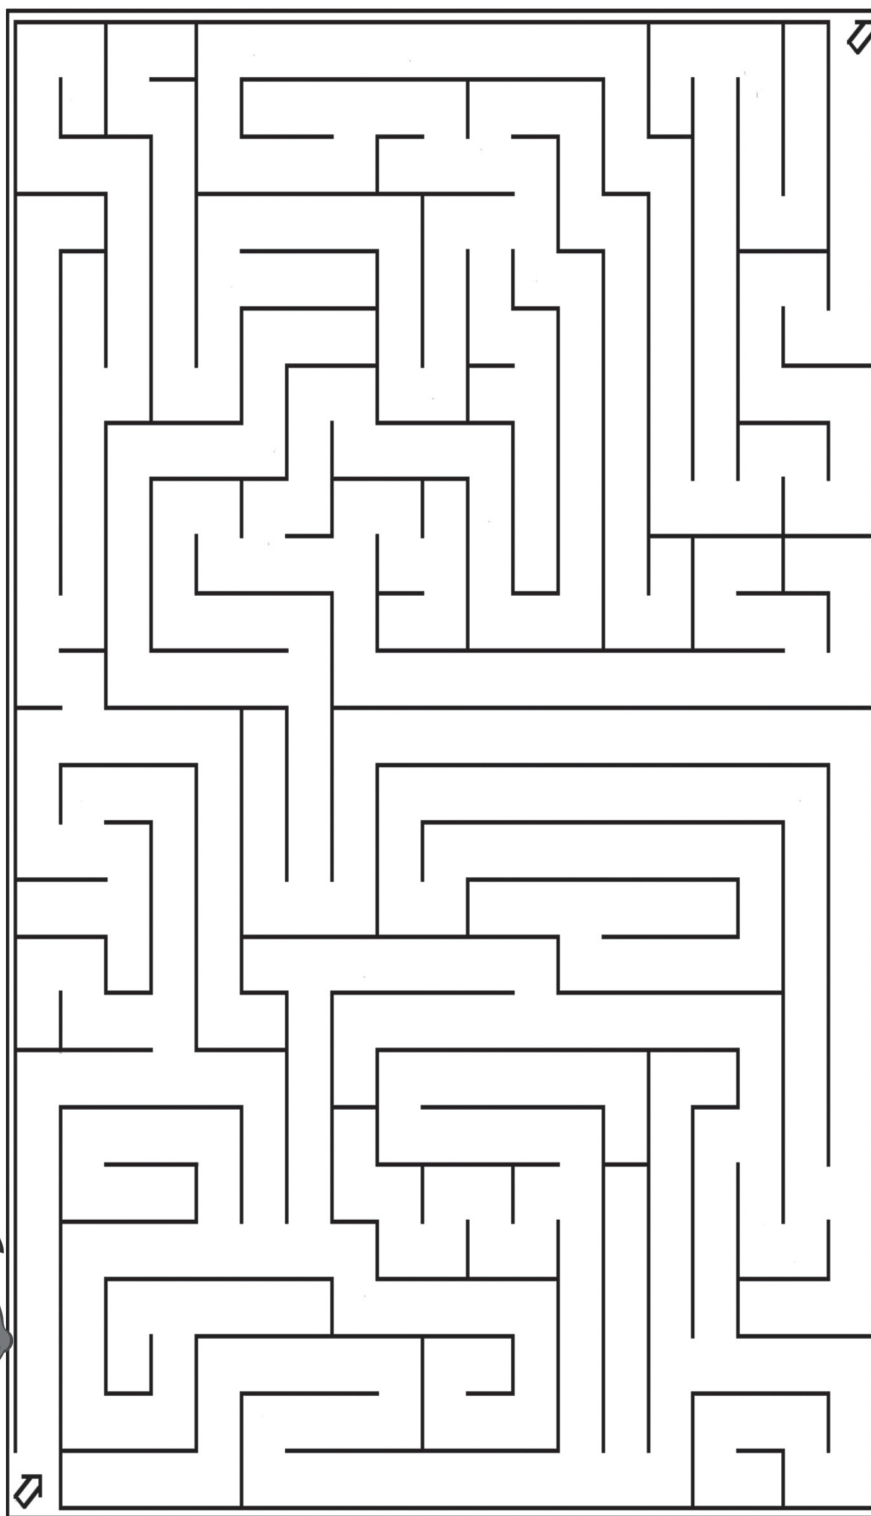

**Many people do not understand how wonderful donkeys are.
Professor Jack is here to teach people how smart
and kind donkeys can be.**

The Peaceful Valley Donkey Rescue needs more room for all of the donkeys that are rescued. So they bought an old dairy farm and made it into a donkey rescue farm.

Every October, the Peaceful Valley Donkey Rescue has a big event at their donkey rescue farm. You should come on out and learn all about donkeys.

**Can you help Super Jack
rescue Miss Jenny?**
